Dear Sir/Madam

Warm greetings to you and your family from Mapua Alumni Australia!

The MAA scholarship program grants full scholarship that covers tuition and miscellaneous fees to deserving and *financially disadvantaged* Mapua university student/s. This program started in 2011.

To date, 10 graduate scholars have benefited from the MAA scholarship program.

Please visit our website - www.mapuaozalumni.com.au to know more about our graduate scholars and the MAA scholarship program.

Currently, MAA is funding 2 scholars who hopefully will be able to graduate in 2019:

- **Ronnel Reyes** – BS Mechanical Engineering
- **Beverly Ann Ramos** – BS Multimedia , Arts and Sciences

Ronnel was awarded the scholarship at the time when his father, who is the sole bread winner of the family lost his overseas contract. Beverly applied to the MAA scholarship at the time when her mother was very ill. She thought she will not be able to continue her studies. Sadly her mother passed away.

Both Ronnel and Beverly are thankful to MAA for the financial help provided to them to enable them to continue their studies.

How does MAA fund its scholarship program?

The funding comes from its annual major funding project the City 2 Surf fun run which is on again this August 2018.

This year 8 people (MAA members and some of their family) will participate in the Sun Herald City 2 Surf 14 kilometer fun run (from Macquarie St., Sydney to Bondi Beach) on Sunday 12 August 2018.

Please help us fulfil Ronnel's and Beverly's dream of graduating from Mapua. Together with MAA, you will make a difference to their lives and families. We need to raise at least \$4,000 to enable Ronnel and Beverly to graduate and possibly fund a new scholar.

You can either sponsor the team of runners or any of the runners by donating an amount for every kilometre completed or a full amount for completing the run.
